Permanent Usage Rules for the Cuernavaca HOA Playground during the Covid19 Pandemic

Purpose

Opening the Cuernavaca HOA playground during the Covid-19 pandemic.

Adoption, Expiration and Rescinding

1. After reviewing submitted comments, the proposed permanent rules have been adopted at the board meeting of May 10, 2021 and will go into effect on May 11, 2021.
2. The permanent rules will expire when the SCC Covid-19 emergency measures expire.
3. The Board may rescind the permanent rules if significant violations or incidents are observed. Please report any violations or abuse of the rules by sending an email to Diana Johnosn at CMS.

Facility

The Cuernavaca HOA playground and benches located in the central green belt, jointly referred to as the *playground*.

Usage Rules

Please consider that the Cuernavaca HOA community is unable to enforce the rules below and that use of the playground is at your own risk. Also note that the playground and structures will

not be sanitized or cleaned. Please report any violations or abuse of the rules by sending an email to Diana Johnosn at CMS.

1. The use of the Cuernavaca HOA playground is restricted to Cuernavaca HOA residents only.
2. An adult must actively supervise each child at all times to make sure that children two years of age or older keep their face covering over their nose and mouth and stay 6 feet away from adults and children outside their household.
    a. Children who are supervised by the same adult must stay together in the same play area or play structure at all times, to allow active supervision.
    b. If an infant or child requires attention (nursing, diapering) that precludes an adult from actively supervising other children using the playground, the adult should ask the other children to leave the play structure/area and stay by the adult's side until needed care is complete.
3. Adults must be masked at all times. Maintain 6 feet of distancing between children and adults from different households including children using or waiting to use play structures or play areas, and families waiting to enter the playground.
4. For kids
    a. Play safe and wear a mask.
    b. Don’t share toys or equipment with other kids outside your family.
    c. Wash hands with soap and water after playing (or using the playground) or use hand sanitizer.
5. Do not use the playground when different households are unable to maintain a physical distance of 6 feet or when the capacity limit has been reached.
    a. Consider coming on different times or days to avoid wait times and potential crowded times.
    b. Do not use the playground when different households are unable to maintain a physical distance of 6 feet or when the capacity limit has been reached.
